

# Step 8: Getting Referrals

**S**tart by connecting with as many of your contacts as possible on LinkedIn and Facebook. Once you're ready to start engaging your network you should messenger, in-mail, call, or email everybody. For those you don't know very well, forward them your resume and let them know what you're looking for. People will want the opportunity to try and help you. Here is a sample script to use in an email. Be sure to modify it to fit the relationship.

## Asking for a Referral

*It has been a while since \_\_\_\_\_, so I  
(reminder of how you know each other)  
just wanted to check in and see how you were doing. Things are great  
with me. I am actually really excited. I am preparing for a career change  
and looking forward to discovering my next opportunity. If you happen  
to know anybody who needs \_\_\_\_\_ or somebody  
(desired job)  
who can \_\_\_\_\_ you would really be helping me out. I  
(primary skills)  
am especially targeting companies like \_\_\_\_\_. So if you  
(target company)  
know anybody in that company or any other companies that also offer  
\_\_\_\_\_ please let me know.  
(top priority)*

*Just as a reminder about my career.* (use WIFM commercial speech from Page 8)

*I'd really appreciate any advice or assistance you could give, and if I can  
ever help you in any way, please let me know.*
